- Microsoft Office

Summary

I'm a senior year student studying Industrial Engineering and Management. I'm highly motivated with great interpersonal skills and tech orientated. Skilled in both self-learning and teamwork, time management, and out of box thinking. An analytic person who always thrives to the best possible results. Looking for an interesting and challenging data-oriented, part-time job.

Education

10/2018 - Present

BSc Industrial Engineering and Management | 4th Year

Ben-Gurion University of The Negev – Be'er Sheva

- Minor in Information Systems.
